

School Chess Coordinator Workshop

Teacher Professional Development

This 1-day program is designed to help teachers, parents or volunteers who want to facilitate a chess program in their school.

You will learn:

- The benefits of chess
- How to do your own chess coaching
- How to organize a tournament
- To find free resources
- To find funding or volunteers
- To use the skills of the students in your school

At the end of the day you will take away with you:

- Enough chess lessons for 6 months or more!
- Tournament management software
- Other resources (all free!)
- Websites to visit
